Premium calculation = allotment + administration fee + HST or GST, Provincial Premium Tax if applicable, divided by 12 months, plus Stop Loss and OOC premium.

Your plan is defined; the allotment is the estimated required for paying claims on a calendar year basis. Defined plan with Stop Loss and OOC Insurance is GST/HST exempt.

Your plan is a Health Spending Account, the allotment is the annual or prorated amount assigned to the employee.

Company Head Office Address determines stop loss premium - premium is different in every Province.

Administrator may fax or scan and e-mail enrolment/change form to DCM benefits.
The original **must** be kept on file or mailed.

Group rates for Stop loss are not available for groups under 5 primary employees. Stop Loss Group rates require 5 employees with claims experience. Groups of 5 or more with no claims experience will have out of province/country insurance to begin with, and Stop Loss coverage would start after 12 months experience adjudicated by DCM benefits unless waiting period is waived by the underwriter.

Under Five (5) Primary Employees:

If your company is under 5 primary lives an individual application for Catastrophic and Out of Country is required for each employee.

Check here if you want to enroll each employee.
